

Dear Resident

CHEAPER ENERGY TOGETHER Don't miss out on the great offers we secure!

According to our records, you have previously registered an interest with YORSwitch, East Riding of Yorkshire Councils collective energy switching scheme. Great news - So far residents in the East Riding have saved in excess of £5.2 million pounds since the scheme launched in 2013.

If you have recently switched – then you don't need to do a thing, however if your tariff is coming to an end or you are on a 'Standard Variable' tariff, you may wish to consider switching

How it works with YORSwitch

The energy details of all households that register are entered into an auction between energy suppliers. The next auction will be held on Tuesday 12 February and the supplier that offers the best deal will contact registered households with a new energy deal. If the offer is acceptable, YORSwitch takes care of the switching process. Tuesday 27 March 2019 is the deadline to decide to accept the offer and switch.

How to register with YORSwitch.
