ONGOING ISSUES

Ousefleet Community Hall. The hall is being used every week for keep fit and meetings. A lovely Christmas tree was donated for the hall users to enjoy at an evening where Santa came and visited, and refreshments were served. A successful Christmas meal was held for the community to attend in December. A book club is for use by the community when the hall is open. A food bank collection for Mission Trinity in Goole, a reverse advent calendar, was also arranged in December which Eastoft village also supported.

A letter from Symes Bains Broome solicitors has been passed to the management committee who have to follow the Solicitors guidance and arrange a public meeting, if the requested amendments are to be made. Grant of £1000 received. The committee will arrange the meeting in the next few weeks.

Parish Council allotment. Resolved the new lease be adopted. The clerk will write and issue the new lease and ask for the tenant to sign the new lease. Rent to be apportioned, due 1 February 2019 until 18 June 2019. A request is also to be made to ascertain the plans this year for the site. An invitation will be included to meet with the parish council.

PLANNING

Delay for objections by the 18th January 2018 as per Swinefleet Parish Council Clerk.

Individual objections are still welcome from residents which will support the MP, North Lincolnshire Council, Drainage Board, Natural England

Twin Rivers parish council have a strong objection to these plans. Too many vehicles for a rural community, the safety of Swinefleet residents, the primary school children at Reedness. All the old houses will vibrate with heavy wagons. The site was only seasonal when operational this will now be all year round. The site has SSI significance. An increase in pollution will affect medical conditions.

18/01832 Mr and Mrs A Walsh. Plans withdrawn.

Atheling house Garthorpe Road Adlingfleet. Two storey extension including first floor balcony to rear. (amended description and plans)

COUNCILLOR ISSUES

Playground. The clerk had forwarded the report to Wicksteed and asked for an inspection by them. Signage will be ordered ready for Spring.

Justice Lane update. Ward Councillor J Barrett has confirmed no movement on this site to date. The owners have indicated they will possibly submit plans later this year for a housing development.

Disposal of unwanted items. The hall committee have had to throw away a small fridge freezer and microwave. Noted. In accordance with the disposal policy of the parish council.

Noticeboards. Possibly the hall committee can apply for a small grant of under £500 to have a new noticeboard. Cllr S Woodcock to look into for the hall committee.

Speeding traffic through the villages. Recently poachers have been speeding through the area. Many delivery drivers and local people are known to speed. Resolved to include a Marshland Messenger article. The PCSO welcomes the registration number of all speeding vehicles.
